ACTIVITY REFERENCE GUIDE

Peter Pan and the Lost Boys

Purpose: Shooting

Equipment: Large Colored Spots, Basketball, Hoop, Disc

Set Up: Break players into two teams and have them line-up in a vertical team line at half court, facing the hoop. Use Discs to Create a Half Moon shape to act as Captain Hook's Ship!

Half Court

Execution:

- All players start in their Team Line.
- Coach calls up first player from each team. Each player shoots the ball from their teams shooting spot.
- IF THEY MAKE IT: They are still in the game and go back to their team spot. Stay In Neverland with Peter Pan and the rest of the lost boys.
- IF THEY MISS IT: They are out and have to stand in Captain Hooks Ship.
- If a team makes two shots in a row, it is a Rescue and everyone in their Team is now back in the game.
- Once a team has all been captured by Captain Hook, the game is over, and the other team wins the round.
- Change the Shooting Spots for each team and continue as time permits.

- If the games are taking too long, change it so players have to make 3-shots in a row for a Rescue.

Story Line: Captain Hook has come back for revenge on Peter Pan and the Lost Boys. The players are the Lost Boys, and the Coach is Captain Hook. They need to work hard to stay out of the hands of Captain Hook and his Pirate Crew. If a Lost Boy finds their way on Captain Hooks Ships, their team of Lost Boys must try and rescue their captured Lost Boy and get them back to safety all while staying safe themselves!
