Purpose: Passing, Shooting

Equipment: Colored Spots, Hula Hoops, Soccer Balls

Set Up: Break players into team's and have each team stand in a vertical line behind their teams serving spot. On the other side of the net, create a Tic, Tac, Toe grid in the middle of the court.

Execution:

- The goal of the game is to try to get Tic, Tac, Toe (3-in a row)
- Have players stand in their team lines
- Coach give the ball to the first player in each team line
- Coach calls a player's name and that player serves the ball and tries to get it to land in one of the Hula Hoops. Make sure you go one player at a time.
- **IF THE BALL LANDS IN THE HULA HOOP:** the coach puts a that team's colored spot (i.e. RED) in the Hula Hoop. That team now owns the Hula Hoop.
- Coach then calls the next player in the other team who passes the ball.
- **IF THE BALL DOES NOT LAND INSIDE THE HULA HOOP:** Nothing happens. Call next players name
- **If the ball lands in a Hula Hoop that currently has the other team's colored spot in it:** Nothing Happens. There are no steals.
- First team to get Tic, Tac, Toe wins points for their team.
- Move the Tic, Tac, Toe Grid and continue as time permits.
